CONGRATULATIONS

Class of 2020,

Throughout your academic careers, you have been confronted with challenges and obstacles, and there is no bigger example of this than what has taken place over the last couple of months. You had to continue the daunting task of completing your education without the benefit of being physically in school with your friends, classmates, and teachers. However, every challenge opens a new door of opportunity; every obstacle we overcome lends its way to creating a path of success.

Mark Twain once said, "The ability to find solutions to life's challenges is what makes us grow as a person."

There is no question in my mind, you, as Hazleton Area High School graduates, can overcome any obstacle and take on any challenge to be successful.

I am extremely proud of you. It has been an honor to have been your Principal and I am going to miss you. Class of 2020, I like you and I wish you the very best life has to offer.

Best of luck,

**Rocco Petrone, Principal
Hazleton Area High School**
