Welcome!

Thank you for downloading this product! I hope you enjoy it as much as I am! These cards are meant for you to use daily with your little ones to reinforce letter names and sounds by associating them with pictures. Practice as a whole group by saying "A, apple, /a/." I also recommend your whole grade level use the same cards. Consistency works wonders! The cards are available in black & white as well should you choose not to use up that precious colored ink of yours! I always suggest printing on cardstock and laminating for durability. Have fun!

Feedback is always appreciated!
