Hello to all the children in the Hazleton Area,

The staff from Pathway To Recovery (your drug prevention presenters in 4th, 5th, 6th, 7th, and 8th grades) miss you and hope you are all doing well. We heard the Hazleton Police Department just had a poster contest and we decided to have our own contest to keep your creativity active!

Our theme is:

“What are the Dangers of Smoking or Vaping on your body, other people, or the environment?”

The poster can be any size you desire. You can use any art medium such as paint, crayons, colored pencils, computer graphics, or even just a regular pen or pencil. You may also include words and sentences on your poster. Each poster will be available to the public so make sure it is appropriate for all ages! We will be choosing one winner from each of the following age groups: 4-6, 7-9, 10-12, 13-15, 16-18. The winner will receive a free large cheese pizza and a goody bag delivered directly to your house from a local restaurant.

Entries can be submitted three ways:

1. Have a parent/guardian take a picture of your poster with your first name, your age, and your school; then post it to Facebook, Twitter, Instagram, or Tik Tok. Make sure you make it public, tag us, and use the hashtag #PTRPrevention in the post.
2. Have an adult drop the poster off at Pathway To Recovery. Make sure your name, age, and a phone number are on the back.
3. It can also be mailed or emailed to the address below. Again, make sure your name, age, and a phone number is included.

Pathway To Recovery Prevention Dept.
223 W. Broad Street
WAVES Building
Hazleton, PA 18202
prevention@pathway-to-recovery.org

All entries must be submitted by Friday, May 1, 2020. Winners will be announced on Wednesday, May 6, 2020. Participants must attend a school within the Hazleton Area.

Mrs. Panzarella, Miss Lauren, Ms Diaz, Mr. Ventura, and Mr. Panzarella say:

“Ready – Set - Draw – and Good Luck!”
