Weapons and drugs in the schools, on school grounds, and in the surrounding communities are a danger to that environment and learning will suffer as a result. Through this policy, it is the hope and desire of the Board to foster a proper educational environment for all students and to help promote the safety and welfare of students, staff, and visitors, by authorizing Security Operations to conduct metal detector screenings of anyone entering the HASD buildings daily.

Searches are conducted for district purposes and not for the primary purpose of gathering evidence or instituting criminal proceedings; however, if a weapon and/or illegal item(s) is/are found, the appropriate law enforcement authorities shall be notified and the student or adult with a weapon and/or illegal item(s) shall face the penalties set forth in the Board policies and State laws.

In conjunction with using the metal detectors, school personnel may inspect the contents of any backpack, book bag, purse, or parcel for the limited purpose of determining whether a weapon is concealed therein, in accordance with Board policy.
