

Leprechaun's Gold

By Janiel Wagstaff

I met a little leprechaun
with bags and bags of gold.
He needed help to carry them
for he was very old.
I volunteered to do it
but much to my surprise,
the gold was really chocolate
covered in disguise.
I really love chocolate
and so I had to say,
"Dear leprechaun,
I'm sorry, friend,
I ate your gold today!"
