

The following will take effect immediately.

~ Students who have been out of the Country in the last few days or who are returning from being out of the Country will be placed on a 14-day leave. Those students will need to supply their schools with a doctor's note clearing them to return to school. Assignments should be prepared for these students and sent home through any means possible.

~ Student registration will be suspended until further notice. This includes students coming to HASD from inside PA, outside of PA (any other State), or outside of the Country. I will contact PDE to alert them to this decision.

~ The intent of this is not to create a panic, but to be proactive. We are taking these precautionary measures in an attempt to reduce the risk associated with Coronavirus.
