

## Text Dependent Analysis Training

LIU18 will be hosting a Text Dependent Analysis Training for teachers in grades 3-5 and 6-8. The training will include information from PDE and the Center for Assessment and will examine instructional strategies focused on the three underlying components of text dependent analysis (reading comprehension, analysis, and essay writing).

**Dates:** November 3, 2022  
January 12, 2023

**Participants only need to attend one session.  
Sessions are repeated.**

**Time:** 8:30-3:00

**Registration through MLP**
