END OF QUARTER/SEMESTER

The end of quarter and semester are fast approaching. We are half way through the school year. Please note that students will be off January 26th and January 27th. The 3rd quarter will begin on January 30th. The exam schedule is posted on last page of the newsletter.

Dr. Martin Luther King Jr.

On Monday, January 16th we celebrate the Martin Luther King Jr. holiday. Dr. King was a civil rights activist in the 1950s and 1960s. He never backed down in his stand to end racism. He led non-violent protests to fight for the rights of all people including African Americans. He hoped that America and the world could form a society where race would not impact a person's civil rights. Dr. King is considered one of the great speakers of modern times, and his speeches still inspire many to this day. Many celebrate his honor by volunteering and giving back to their communities. In fact it is the only federal holiday that calls for a day of service. What will you do to honor Dr. King's legacy?
