HAPPY NEW YEAR!

The start of each New Year is a time to reflect on the year that just past and make plans for the future. It holds a special magic, with a promise of new opportunities and the possibility to change our lives for the better. It's also a great time to bond over old memories as you endeavor to make more.

*Whats your New
Years Resolution?*

According to a poll taken right before the New Year, the following were the top resolutions:

- ❖ Learning something new.
- ❖ Spend more time with their family.
- ❖ Improve their mental health.
- ❖ Pay down debt.
- ❖ Try to be happier in general.
- ❖ Lose weight.
- ❖ Eat better.
- ❖ Exercise more.

But the number one resolution people were going to make was to save money.

Teacher SPOTLIGHT

Samantha Snyder

STUDENT SPOTLIGHT

Hunter Koch

Hunter was nominated for the student spotlight by Mrs. Matsago. She said that Hunter "is a stellar student in my English 4 class! He attends all live meetings, completes every assignment on time, and responds consistently and correctly. Hunter assists with the flow of the meeting by contributing when no one else does. (And I appreciate that greatly!) Hunter's compassion and diligence are showcased outside of HACA when he helps at home and spends time with his grandfather. These attributes will be put to good use as Hunter embarks upon his future endeavor of teaching after completing his degree at Bloomsburg University."

Mrs. Snyder is in the Teacher Spotlight this week. Mrs. Snyder is a first year business teacher. She said that she loves interacting with students online and watching them learn and grow. In her free time she loves to spend time with her family and go to fun places. Her favorite food is soft pretzels. The last book she read was *Hunger Games*. Her favorite musical artist is Luke Bryan. When asked if she could have dinner with one person dead or alive she said that there were too many options but she would probably pick a loved one. She has two dogs. She said that she likes cats, "as long as they aren't hers." 🐾 The one thing that she wants everyone to know about her is that she really loves Christmas. It is her favorite time of the year. She has a big family get together, that is filled with love and laughter. She says, "it sounds cliché, but family time is my favorite." She goes on a small trip every year to see Christmas lights and partake in festivities, Hershey, Lancaster, etc. If you are taking a business class then you will get to know Mrs. Snyder.
