

Good Ideas

Anyone can invent! Ben Franklin invented a stove and glasses. But even kids can invent. Here is one true story.

①

KK made some changes. The cuff worked much better than before. Soon lots of people wore her cuff. KK's idea was a hit!

④

KK liked winter. She liked to play outside. But her hands got so cold in the snow. She wanted to spend more time in the snow.

②

KK had a good idea. She made a fleece cuff. But it did not work too well. It still let snow in.

③

Name _____

Reread “Good Ideas.” Then write “problem” or “solution” next to each sentence.

1. KK’s hands get cold in the winter.

2. KK made a cuff.

3. The cuff did not work well.

4. KK made a better cuff.

B. Work with a partner. Read the passage aloud. Pay attention to appropriate phrasing. Stop after one minute. Fill out the chart.
