Congratulations! You are receiving this application based on Scholarship. A panel of teachers will confirm that you have all qualities needed for induction into National Junior Honor Society including, but not limited to, the qualities of Leadership, Character, and Citizenship.

Please write a 200 – 300 word essay stating why you should be considered for nomination into the Freeland National Junior Honor Society. Submit this application and the essay to ledgerj@hasdk12.org no later than Wednesday, May 15. If you are in person, you can drop it off in my office.

You will hear from me after all applications and essays are submitted and reviewed. Needless to say, the induction will look different this year, however, you are not forgotten. You've worked hard for this recognition and you deserve it. We are still working out the details of when and how, but please know, you will be recognized for all your hard work.
