13) Update on Current 2025-2026 Budget Process

- a. All school and department budgets are scheduled at the end of March for their initial (first-pass) review with each of the respective department heads and/or principals. At these meetings all positions will be reviewed and any open and new positions being requested will also be added to the budget going forward. All open and new positions requested will be identified to the School Board and discussed at future budget meetings (public or executive).
- b. Salary & benefit budgeting (budgeting for each individual position in the General Fund) will continue to occur as retirements, resignations and additional positions requested become evident.
- c. All State and Federal grants/subsidies/programs will be reconciled matching the expenses with the projected anticipated revenues once the revenue amounts become available. Unfortunately, until we get firm amounts from the State & Feds, this will be an educated guess at this point.
- d. The **Preliminary** General Fund Budget was not completed due to the fact the School Board requested and approved the **Accelerated Budget Opt Out Resolution**.
- e. The Business Office will not be applying for the 2025-2026 Referendum Exceptions.
- f. The Commonwealth Budget Seminar will be held on Thursday, February 13, 2025.
- g. Preliminary General Fund Budget TOTALS (Revenues & Expenses) will be discussed at the Public Budget Meeting scheduled for Wednesday, May 14, 2025 at 5:00 P.M. and will continue with all Public Budget Meetings to follow.
- h. Second-pass review of school and department budgets will occur in May and June. This review is where additional budget cuts will be made.
- i. **Proposed** Final General Fund Budget is scheduled to be Board approved on Thursday, May 22, 2025 at the Regular Monthly School Board Meeting in May.
