AGREEMENT
BETWEEN
HAZLETON AREA SCHOOL DISTRICT
AND
HAZLETON AREA EDUCATION ASSOCIATION

This Agreement between the Board of School Directors of the Hazleton Area School District, hereinafter referred to as the Board, or School District, and the Hazleton Area Education Association, hereinafter called the Association, is entered into pursuant to the provisions of the Public Employee Relations Act of 1970 covering the period from September 1, 2017 to midnight August 31, 2021

ARTICLE I – RECOGNITION

The Board hereby recognizes the Association as the exclusive representative of its professional employees in a bargaining unit defined by the Pennsylvania Labor Relations Board in a Certification issued by said Board encompassing all full and regular part-time professional employees including classroom teachers, guidance counselors, nurses, home and school visitors caseworkers, outreach counselors, technology system support, nursing assistants, attendance officers, and others as certified by the PLRB as set forth in said Certification for the purpose of collective bargaining with respect to wages, hours and other terms and conditions of employment in accordance with the provisions of the Public Employee Relations Act of 1970.

All references to “employee”, “teacher”, “professional employee”, “bargaining unit member”, and “long term substitutes” as defined in Section B, No. 17, etc., shall be construed to include only those people in the bargaining unit as defined by this Article.

ARTICLE II – MANAGEMENT RIGHTS

The Board of School Directors and the School District shall enjoy all of the management prerogatives and discretion accorded by the Pennsylvania School Code in order to meet the educational objectives of the District except to the extent that a specific provision of this Agreement limits the Board’s prerogative or discretion.

ARTICLE III – JUST CAUSE

No member of the bargaining unit shall be discharged without just cause.

ARTICLE IV – GRIEVANCE PROCEDURE

A. Definitions
   1. Grievance
      A “grievance” is hereby defined as:
      (a) A complaint by a bargaining unit member or members regarding the meaning, interpretation or application of any provision in this Agreement, or
      (b) A “grievance” as defined herein shall not apply to any matter in which the local association is without authority to act.
   2. Aggrieved Person
      An “aggrieved person” is the person or persons making the claim.
   3. Party in Interest
      A “party in interest” is the person or persons making the claim and any person who might be required to take action or against whom action might be taken in order to resolve the claim.
B. Purpose

The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems which may from time to time arise affecting teachers. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

C. Procedure

1. Time Limits

Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement, in writing.

2. Year End Grievances

In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, and if left unresolved until the beginning of the following school year, could result in irreparable harm to a party in interest, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as practicable.

3. Level One – Principal, Immediate Supervisor or Appropriate Director

A teacher with a grievance shall first discuss it with his/her principal, immediate supervisor or appropriate director, either directly or through the Association’s designated representative, with the objective of resolving the matter informally, within fifteen (15) school days after its occurrence or when the grievant reasonably should have known of its occurrence.

4. Level Two – Superintendent

If the aggrieved person is not satisfied with the disposition of his/her grievance at Level One, or if no decision has been rendered within five (5) school days after the presentation of the grievance, he/she may file the grievance in writing with the Association within five (5) school days after the decision at Level One or five (5) school days after the grievance was presented, whichever is sooner. Within five (5) school days after receiving the written grievance, the Association shall refer it to the Superintendent of Schools.

5. Level Three – School Board

If the aggrieved person is not satisfied with the disposition of his/her grievance at Level Two, or if no decision has been rendered within five (5) school days after the grievance was delivered to the Superintendent, he/she may within five (5) school days after the grievance was delivered to the Superintendent, request in writing that the grievance be referred by the Association to the School Board.

6. Level Four Arbitration

(a) If the Association is not satisfied with the disposition of the grievance at Level Three, or if no decision has been rendered within five (5) school days after the grievance was delivered to the School Board, the Association may, within five (5) school days after a decision by the School Board or fifteen (15) days after the grievance was delivered to the School Board, whichever is sooner, submit the grievance to arbitration.

(b) Within ten (10) school days after written notice of submission to arbitration, the Board and the Association shall attempt to agree upon mutually acceptable arbitrator and shall obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such commitment within the specified period, a request for a list of arbitrators may be made to the Pennsylvania Bureau of Mediation (B.O.M.) by either party. The parties shall then be bound by the rules and procedures of the Pennsylvania Bureau of Mediation (B.O.M.) in the selection of an arbitrator.
The arbitrator so selected shall confer with the representatives of the Board and the Association and hold hearings promptly and shall issue his/her decision not later than twenty (20) days from the date of the final statements and proofs on the issues submitted to him. The arbitrator’s decision shall be in writing and shall set forth his/her findings of fact, reasoning and conclusions on the issues submitted. The arbitrator shall be without power or authority to make any decision which requires the commission of an act prohibited by law, reserved by law exclusively for the Board or which is in violation of the terms of this Agreement. The decision of the arbitrator shall be submitted to the Board and the Association shall be final and binding on the parties.

The costs for the services of the arbitrator, including per diem expenses, if any, and actual and necessary travel, subsistence expense and the cost of the hearing room and court reporter shall be borne equally by the Board and the Association. Any other expenses incurred shall be paid by the party incurring same.

D. Rights of Teachers to Representation

1. Teacher and Association
   Any aggrieved person may be represented at all stages of the grievance procedure by himself/herself or at his/her option by a representative selected or approved by the Association. When a teacher is not represented by the Association, the Association shall have the right to be present and to state its views at all stages of the grievance procedure.

2. Reprisals
   No reprisals of any kind shall be taken by the Board or by any member of the administration against any party in interest, any representative, any member of the Association or any other participant in the grievance procedure by reason of such participation.

E. Miscellaneous

1. Group Grievance
   If, in the judgment of the Association, a grievance affects a group or class of teachers, the Association may submit such grievance in writing to the Superintendent directly and the processing of such grievance shall be commenced at Level Two. The Association may process such a grievance through all levels of the grievance procedure even though the aggrieved person does not wish to do so. Such grievance must be filed within fifteen (15) school days after its occurrence or when the grievant should have known of its occurrence.

2. Written Decisions
   Decisions rendered at Level One which are unsatisfactory to the aggrieved person and all decisions rendered at Levels Two and Three of the grievance procedure shall be in writing, setting forth the decision and the reasons therefore, and shall be transmitted promptly to all parties in interest and to the Association. Decisions rendered at Level Three shall be in accordance with the procedures set forth in Section C, Paragraph 6(c) of this Article.

3. Separate Grievance File
   All documents, communications and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any participants.

4. Forms
   Forms for filing grievances, serving notices, taking appeals, making reports and recommendations and other necessary documents shall be prepared jointly by the Superintendent and the Association and given appropriate distribution so as to facilitate operation of the grievance procedure.

5. Meetings
   All meetings and hearings under this procedure shall not be conducted in public and shall include only such parties in interest and their designated or selected representatives, heretofore referred to in this Article.
ARTICLE V – SALARY
Section 1 – The salaries of all employees covered by this Agreement for the school years 2017-2018, 2018-2019, 2019-2020, 2020-2021 shall be set forth in Schedule A attached hereto and made a part hereof. 3. Parent/teacher conferences will be scheduled by the teacher, guidance counselor or administration during the regular school day. If said scheduling cannot take place and a conference is requested by a parent, the teacher and parent will mutually schedule this post school session.

4. All professional employees will be notified of their tentative building assignment and subject assignment for the school year no later than August 15 preceding the commencement of the year. Except in emergencies, any teacher who is involuntarily transferred after August 15th in any school year shall receive five (5) days written notice of such change. The Superintendent shall have discretionary power to meet the emergency.

Professional employees desiring a change of assignment due to vacancies or other circumstances must request such change in writing stating specific assignment desired and the reason for the requested transfer. The transfer will be granted under the following conditions:
   a. A vacancy exists.
   b. The transfer will be in the best interest of the students and curriculum of the concerned school.
   c. Current Association Members will be considered, without an interview, for posted HAEA positions prior to the position being opened to the public.

These hours include a thirty (30) minute duty-free lunch period with the right to leave the building during this lunch period. Teachers shall remain on site for a maximum of seven (7) hours and thirty (30) minutes per day, provided, however, that a professional employee may be used on a volunteer basis before or after the start of the regular schedule to supervise students. Any teacher who volunteers may start later if held over and leaves early if started early to offset the time worked outside of the regular workday. Selection shall be made on a seniority basis if more than one professional employee volunteers. Thirty minutes each day shall continue to be used for non-instructional staff development.

The Association shall have the right to utilize one (1) bulletin board in each building within the School District for the purpose of informing its members of its activities.

2. Fair Share: The following are provisions that will remain in effect:
   a. Each non-member in the bargaining unit represented by the Association shall be required to pay a fair share fee.
   b. The School District and the Association agree to comply with the all provisions of said law.
   c. The Association agrees to extend to all non-members the opportunity to join the Association.
   d. If any legal action is brought against the School District as a result of any action it is requested to perform by the Association pursuant to this Article, the Association agrees to provide for the defense of the School District at the Association's expense and through counsel selected by the Association. The School District agrees to give the Association immediate notice of any such legal action brought against it and agrees to cooperate fully with the Association in the defense of the case.
   e. The Association agrees in any action so defended to indemnify and hold the School District harmless for any monetary damages the School District might be liable for as a consequence of its compliance with this Article; except that it is expressly understood that this save harmless provision will not apply to any legal action which may arise as the result of any willful misconduct by the School District or as the result of the School District's failure to properly perform its obligation under this Article.

3. Association members shall have the right to release time from duties to attend to Association business provided two (2) weeks' notice of request for released time shall be made to the Superintendent and the released time in any school year shall not exceed thirty (30) man days. The Board agrees to allow the Association to hold a general membership meeting on each in-service day during the school year, provided that such meeting does not last longer than one (1) hour, on each in-service day, nor conflict with the regularly scheduled instruction program.

4. The negotiating teams of both parties shall meet at the request of either to informally resolve any questions concerning the interpretation and administration of the contract and resolve problems that may arise. These meetings are not intended to by-pass grievance procedure.

Any provision of State or Federal law or regulation which may appear to alter or impair the rights of the parties to this Agreement shall be construed in a manner consistent with any judicial interpretation or such law or regulation but so as to whatever possible fully effectuate the terms and intentions of the parties to this Agreement.

The parties hereby agree that negotiations to an Agreement to take effect on September 1, 2021, shall be commenced no later than January 5, 2021, provided that the Association continues to be certified as the exclusive bargaining representative.

Maintenance of membership means that all employees who have joined an employee organization or who join the employee organization in the future must remain members for the duration of a collective bargaining agreement so providing with the proviso that any such employee may resign from such employee organization during a period of fifteen (15) days prior to the expiration of any such agreement.

B. The Board will honor such authorization cards pursuant to the maintenance of membership agreement:

(Sample Authorization Card follows)

I hereby authorize the Hazleton Area School District to deduct professional dues from my paychecks in twelve (12) equal installments. I designate the Hazleton Area Education Association to receive the dues and distribute appropriate amounts to the Hazleton Area Education Association, the Pennsylvania State Education Association and the National Education Association.

In the event that I terminate my services in the School District prior to the total of the annual deductions being made, I understand that the balance necessary to complete that total will be deducted from my final paycheck received from the District.

   - If the retired employee should die prior to reaching age sixty-five (65), his/her spouse shall be given the option of continuing the benefits for as long as sufficient funds exist from the specified amount to pay the premiums.
