## **September PAC Meeting Agenda**

**Date: Tuesday 9/20/22 @ 6:00 PM**

### ➤ Title I Overview

- Provide intervention services in math and reading to underperforming students. (Students are determined by data results shown from Star benchmark tests.)
- Students who qualify will work in a small group setting 2 to 3 times per week. (For each day they are pulled for instruction, the duration will be 40 minutes with the Title I teacher.)
- Our focus will be to provide a reinforcement of essential skills, use hands on learning experiences, and give supplemental assistance to the classroom teachers to help students accelerate their learning and thrive in school.
- Parental involvement is a key component of Title I through parent engagement activities, as well as being a member of PAC (Parent Advisory Committee).
