Welcome :) My name is Mr. Tarone. It is recommended your child be able to access 4 main internet sites. They are:

1st Imagine Learning -- (Use Clever.com) This instructs your child on their level. They took a test, then Imagine learning assigned your child a “Set of Lessons” based on the test’s results. (20 minutes a day)

2nd Connect Ed http://connected.mcgraw-hill.com

Once your son or daughter logs in, they will have access to all reading workbooks, spelling books and grammar books etc. Under “Resources” you will find ALL books and workbooks on-line.

Plus, you will find Spelling, Vocabulary, and Grammar Games aligned with that week’s test questions on the main under GAMES!!!

It is recommended that your son or daughter read the stories in the Literature Anthology Grade and the Reading Writing Workshop text for that week. The stories are aligned with the Units. These stories can be read to you at http://connected.mcgraw-hill.com
