## McAdoo is *Blue for Sue*

*MKEMS will not be the same without our beloved librarian, Sue Piacente.*

*MKEMS Middle School Community Service Club had a fund raiser for Ms. Sue prior to her passing. Tshirts were sold, and \$2,000 was raised. The students, teachers, administrators, and community members were involved. Blue for Sue fundraiser article page 2.*

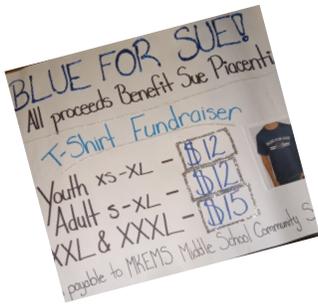

*Ms. Sue was the heart and soul of our school.*

*She was beloved by our students and staff, as well as a friend to all. There is not a day that goes by without a mention of Ms. Sue and how warm the library was with her in it. She loved reading to the little ones almost as much as they enjoyed listening to her. She would always have a special hat or outfit for a story.*

*The library was always warm and welcoming with Ms. Sue here. It was beautifully decorated for every holiday. She spent her time and love doing crafts and making decorations. The library was a place that students and teachers alike enjoyed visiting.*

*Sue will be truly missed by everyone who knew her.*

# “Blue for Sue” Middle School Community Service Club Fundraiser

By Courtney Baran

Ms Sue was the school’s librarian. Sadly, she passed away in September 2023. The 7th and 8th grade students of the Middle School Community Service Club held a fundraiser and sold t-shirts in memory of her. All the proceeds from the Blue for Sue shirts went to her family. Ms. Sue was always so warm and welcoming to everyone. She read books to the children and did some crafts with them. She had a reading program that she held on Tuesdays and Wednesday. Tuesdays were for the younger kids. She would do a small craft and then read a book that would go with the craft. Wednesdays were for the older kids. She showed them a craft and had one of them read a book and sometimes play a game.

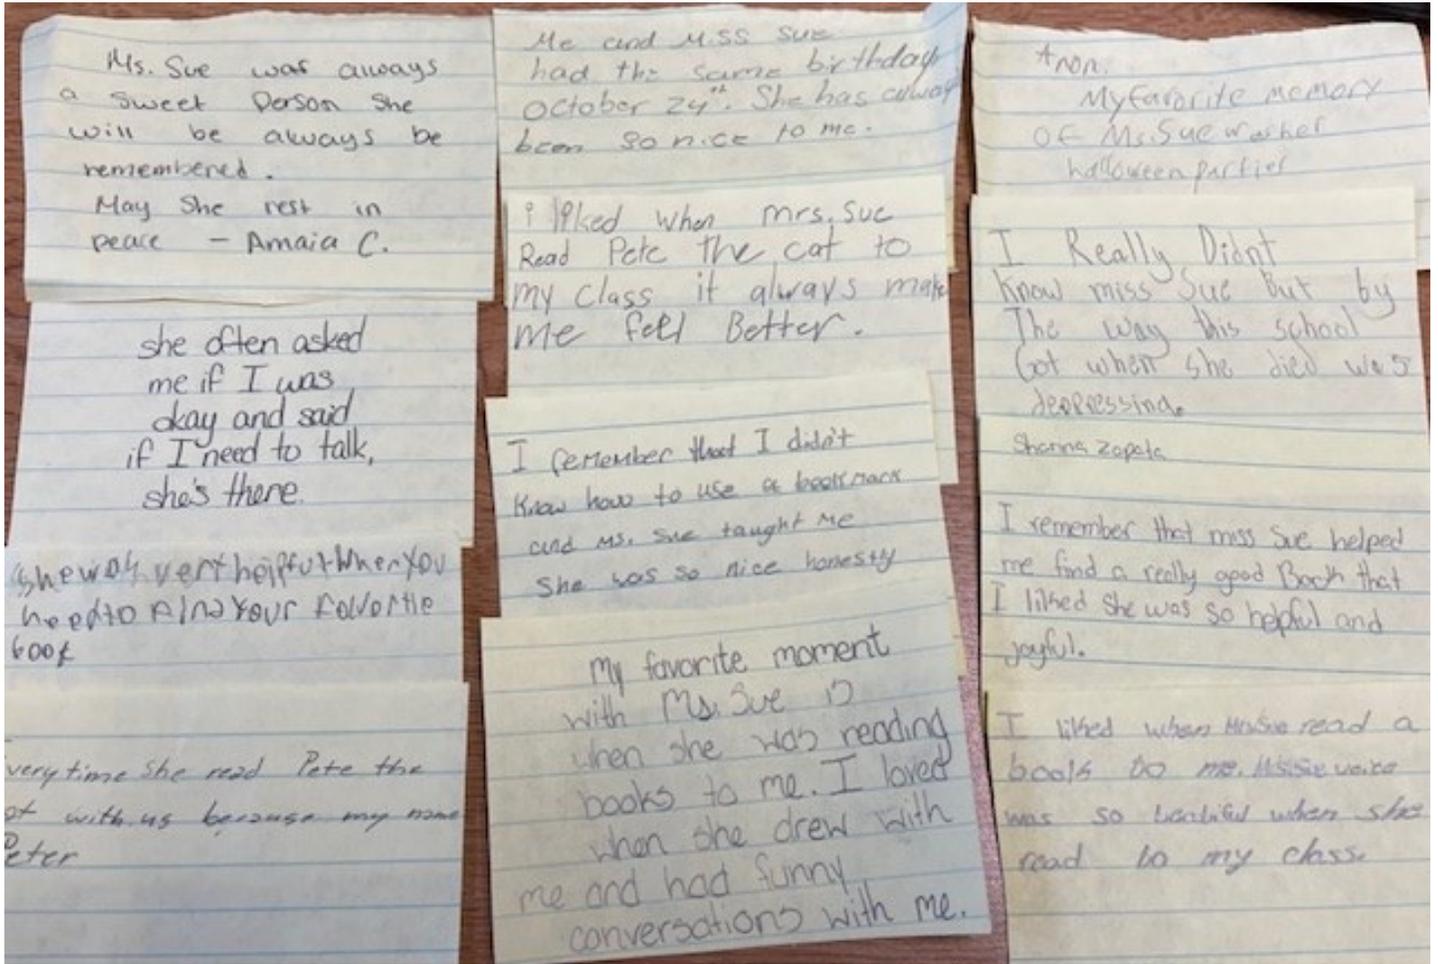

Ms Sue had a summer program too. It was held on Tuesdays in the afternoon. The children that attended received a paper saying how many books they should read. If they completed that activity, they would get a reward. During the summer program, the children would do an activity, read, and sometimes go outside.

Ms Sue was a very good librarian who spent her days at the school making children laugh and smile. She would decorate the library beautifully for every holiday. She was loved by the students and staff. The children grew up and spent time making memories with her in the library, and whether it was during school or at reading club, they would always have fun!

# My favorite memories with Ms. Sue...

The following sentiments are the words of the students when asked about their favorite memory of Ms. Sue. These were written on a voluntary basis.

Written by: Brian J. Dhenar.

Ms. Sue was a wonderful joy to MKEMS. She would go out of her way to help other students regardless of how uneducated or smart they were. I always loved when she'd read the angry pidgeon. And most of all or the inside she was heartfelt.

Hopefully one day they can cure the deadly disease to prevent heartbreaks like this for families to no longer experience this displeasure ever again.

# My favorite memories with Ms. Sue...

I liked when Ms. Sue would read cat in the hat to me

She helped me pick books.

When she used to call us tables for books and we would fight over books.

She was a good librarian

when we went to the library and we would fight over books

I like when Miss Sue would help pick out books

she complimented me.

MS. Sue would always make sure the next book I wanted or needed if I could not find it.

My favorite memory of Ms. Sue is when she yelled at us.

I loved when we read Pogy and elephant books.

you are missed every day. Miss Sue.

Miss Sue  
You will always be loved

I'm going to miss the summer program. I know a lot of kids will as well.

I loved going to the after school library, and doing fun activities.

Mrs. Zoo, our librarian, who sadly passed, was very loved by her students.

she was is and kind

I remember when she said I was her favorite and she us to help me with my work but she was my fav in 3<sup>rd</sup> and 4<sup>th</sup> - Rosie Arias Moore

She was very nice library teacher I loved the books she had in the library.

She was really smart. The first time I came to school she was the first to see me. She was very nice she always had a smile on her face.

Ms. Sue helped me with my reading and math when we were doing online learning.
