Friends to the Rescue

Morris opened his lunch bag as he talked to his friends. Suddenly, his face changed. He pulled out two small toy trucks.

“Oh, no,” Morris groaned. “I picked up the wrong bag. This is what my mom bought for my little brother. I don’t have anything to eat.”

“You can have half of my peanut butter and jelly sandwich,” said Pam.

“Here, take some of these. I can’t eat all these grapes,” said Jeff.

“I’ll share my carton of juice with you,” offered Jack.

“Thanks, everybody,” Morris said. “What teamwork!”
