

What Should I Bring to Kindergarten?

Coming to Kindergarten is always an exciting time and a fun time for students to shop for school supplies. While we have all of the educational supplies ready to go, below is a list of items that would help your child.

Kindergarten Supplies

- 1 large glue stick
- 24-piece puzzle or smaller
- 1 Activity Book (ex: coloring, dot to dot, hidden picture, etc.)
- 2 packs of pocket tissues
- Pocket sized hand sanitizer
- A change of clothes (shirt, socks, pants, underwear) for your child to keep in their backpack
- 1 clear or mesh backpack
- A set of headphones (sent in to school during the first week of school) inside a ziplock bag labeled with your child's name – **no earbuds, please**

We will supply pencils, crayons, a glue stick, paper, white board, eraser, scissors, and a pencil case for each student. We look forward to seeing you all in Kindergarten!

Sincerely,

Mrs. Blase, Miss Pauline, and Miss Biever
