

Valley Middle School Ecology Club

“Teamwork Makes the Dream Work”

Welcome to the Valley Middle School Ecology Club. If you are interested in the conservation of our natural resources and the beautification of our school and community, this club is for you! The Ecology Club is for students in Grades 7 and 8 and is a year-long club designed to foster an appreciation for the natural world. The club focuses on outdoor activities and projects that enhance knowledge about local conservation efforts. Members will meet monthly at the Valley Middle School and meetings will be in the school or outside depending upon the weather. Members will be expected to participate in Earth Day in April and volunteer for numerous ongoing beautification projects at the school. Each student will be asked to be dressed appropriately and come with a change of clothes if necessary.

Students: Please sign that you understand the rules stated on the back of this sheet.

Parents: Please sign and date below indicating your permission for your son or daughter to participate in the club.

Student's Name: _____

Student's Signature: _____

Parent's Signature: _____

Date: _____

Valley Ecology Club By-Laws

1. Members are expected to participate, to the best of their ability, in Ecology Club activities. Inappropriate behavior will not be tolerated and anyone not participating in the club may be dropped at the discretion of the advisor.
2. Members of the club who have disciplinary action resulting in 2 days suspension, (whether these suspensions are concurrent or discontinuous, in school or out of school) will be dropped from the club. Also, members can be removed from the club for violating school and classroom rules. Being a member of the Ecology Club is a privilege.
3. Members are expected to be in good academic standing. Any member failing a class will not be allowed to participate for that week.
4. Any problems are to be directed to me immediately.
5. Have fun and remember "Teamwork Makes the Dream Work!!"

Mr. Sisock
