

OPEN HOUSE!

LOCATION: Heights Terrace- 275 Mill Street, Hazleton

DATE/ TIME: Thursday May 4, 4:30 PM- 6:30 PM

Food, Activities and Fun!

*Learn more about Champ Camp -- the summer program where kids enjoy **STEM, Art and Drama, Time With Friends, Sports and Games**, and plenty of time **Outdoors!***

In Champ Camp kids will:

- Build confidence, curiosity, and community
- Develop key mindsets
- Grow physical and mental skills
- Learn new things
- Make new friends

Here are a few of the other fun ways kids benefit from participation in Champ Camp:

- **FRIENDSHIP:** Kids engage in team building activities and games that will help them build essential skills such as problem-solving and critical thinking.
- **OUTDOORS:** Campers take hikes in the local area and appreciate the nature around them. Kids will have fun counting and recording the many different birds, animals or insects they see.
- **INNOVATION:** Campers experiment with coding as they play games like "Code the Camper" – taking turns coding each other to navigate an obstacle course!
- **MOVEMENT:** Campers enjoy water play time and compete in games like Water Ball Catch and Wacky Water Relays. They learn how important it is to keep the insides of their bodies hydrated with water too!
- **CREATIVITY:** Campers explore their creative side and can collaborate with others to paint giant murals or design cool sculptures

WE LOOK FORWARD TO WELCOMING YOU AND SHARING MORE INFORMATION! (Note: Subsidy is available for summer camp)
