

**Below are a few ways you may want to teach words in a sentence:**

1. **Jumping Game-** Teacher or parent says a sentence with 2-5 words. Teacher or parent jumps every time they say the words- child repeats. Observe to see if the child is jumping the correct amount of times.
2. **Swat the Words** – Place 2-5 word sentences on the board, have each child use a fly swatter to “swat” the words on the board.
3. **Coin in a Cup** – Have the child place coins or markers in a cup every time the child says a word.
