

Zaner-Bloser Alphabet

Note to Parents:

This alphabet will show you the correct formation of the letters your child is learning to write in the school handwriting program. The arrows and numerals indicate the direction and sequence of the strokes that form the letters.

In the event you wish to purchase paper for your child to practice the letter formations at home, please be sure the paper has the correct size ruled lines. The appropriate size for Grade 1 is 5/8 inch.
