METHOD OF SELECTION

A Selection Committee consisting of prominent educators will review the applicant's grades, the results of their college entrance examinations (SAT), other information supplied by their high school, and conduct such interviews, as they choose, to determine the award winners.

The District Scholarship Fund Committee will have no choice in the selection of the scholarship winners; and no member of the Selection Committee can be a member of the United Steelworkers.

The decision of the Selection Committee shall be final, and all matters concerning the Scholarship Program shall be governed by and subject to rules and amendments thereto made by the Hugh Carcella Scholarship Fund Committee.

GENERAL INFORMATION

- As a condition of continuing to receive scholarship funds, winners will be expected to make satisfactory progress. Their records will be reviewed periodically for the purpose of determining their progress.
- Receipt by a scholarship winner of any other award or scholarship (except an award or scholarship covering full tuition and maintenance) will not affect his/her ability to obtain or continue to receive an award under this program.
- Because of the need to make early application, applicants should proceed to apply for admission to the colleges or universities of their choice without delay and without waiting to learn the decision of the Selection Committee.
