The screenshot shows the Immersive Reader interface with a document titled "Quiz.docx". The text "Who will win the NFC East this" is displayed. A right-hand menu is open, showing various settings. At the top right, there is a book icon. Below it, there are icons for font size (AA), font style (≡), and a book icon. The "Line Focus" toggle is turned off. There are three buttons for line focus: a minus sign, a horizontal line, and a vertical line. The "Picture Dictionary" toggle is turned on. Under the "Translate" section, a dropdown menu is open, showing "Spanish" selected. Below the dropdown, there are two toggle switches: "By word" and "Document". A blue arrow points to the "By word" toggle, which has the number "5" next to it.
