

HAZLETON AREA CAREER CENTER

Spring 2020 - Adult Evening Classes

Introduction to Woodworking: This course is for anyone interested in learning the basic tools and techniques of woodworking. Topics covered will be: print reading and visualization of project ideas, selection and processing of materials using both hand and power tools, as well as fit and finish. Instructor projects will be provided, and students will have an opportunity to create their own basic projects and crafts. **This is a 30-hour course.**

Offered: Mondays- 5:00 pm-8:00 pm

Starts: Monday, February 10, 2020

Cost: \$150.00

PA Safety Inspection: Individuals who are at least 18 years old, hold a valid driver's license, and are interested in becoming a Certified PA Safety Inspection Mechanic can register for this program, which allows students to become certified to inspect class 1, class 2, and class 3 type vehicles. **This course is a total of 12 hours;** 10 hours of theory and demonstration, a 1-hour written test, and a 1-hour hands-on test. ***This class will be offered twice in the Spring semester.*** **Form MV-409 is available upon registration and must be completed prior to the start of class.**

Offered: Mondays and Wednesdays 6:00 pm-9:00 pm

Starts: Monday, February 10, 2020 (**1st offering**)

Monday, May 4, 2020 (**2nd offering**)

Cost: \$190.00 for Class 1, \$40 for Class 2, \$40 for Class 3

Paraprofessional Training: This competency based course prepares the learner to obtain necessary credentials as outlined by the Pennsylvania Department of Education. A paraprofessional works in the school system with special needs students under the direction of a certified teacher. This course will fulfill the requirements for paraprofessional certification.

This is a 20-hour course.

Offered: Mondays 5:00 pm – 8:00 pm

Starts: Monday, February 10, 2020

Cost: \$100.00

Precision Machine Technology: This course will be a combination of the vertical milling machine and the engine lathe. It includes setup and operation of engine lathe for basic operations of turning, facing, grooving, drilling, and threading. Operations of the milling machine will include milling, drilling, reaming, and tapping in various materials.

This is a 30-hour course.

Offered: Wednesdays 6:00 pm-9:00 pm

Starts: Wednesday, February 12, 2020

Cost: \$250.00

Welding Technology: This course will teach welding safety, joint design, machines, and accessories. It also includes Stick, Mig, Tig, and Oxyfuel techniques. The class is limited to ten students. **This is a 45-hour course.**

Offered: Wednesdays and Thursdays 6:00 pm- 9:00 pm

Starts: Wednesday, February 12, 2020

Cost: \$350.00

***** Please bring welding gloves and safety glasses to all classes.**

Registration: At the school's main office, in person, or by mail on a first-come, first-serve basis. Office hours are 7 am-3 pm, Monday-Friday. The phone number is 570-459-3221, ext. 82500. Registration deadline is Wednesday, February 5, 2020. Tuition must be paid in full at the time of registration. Cashier's check, money order, and cash are accepted.

Hazleton Area Career Center

1451 West 23rd Street, Hazleton, PA 18202 Attention: Lori Herman

Hazleton Area Career Center reserves the right to cancel or reschedule classes. Most classes require a minimum of 8 students. NO refunds will be given after the first class. Students are given a proof of attendance at the conclusion of each course. If weather conditions close the Hazleton Area School District, adult classes will not be held. If a class is cancelled, the instructor will make up that class to complete the hour requirements.
