

1h. Given two quantities, build subsets and state the set quantity.

- Student is given two numbers verbally, builds those numbers, then states the total amount.
- **Ex.**

<p>5 circles + 2 circles</p>  <p>7 circles</p>	<p>5 circles + 3 circles</p>  <p>8 circles</p>
<p>4 circles + 3 circles</p>  <p>7 circles</p>	<p>3 circles + 3 circles</p>  <p>6 circles</p>
