

5b. Count On

- Student is told to put the bigger number in their head and count on.
- **Ex.**

$$5 + 2 =$$

Put 5 in your head and count up 2.

Start at 5 and count up or say "6, 7".

$$4 + 3 =$$

Put 4 in your head and count up 3.

Start at 4 and count up or say "5, 6, 7".
