Welcome to Kindergarten !!!

Themes six - ten continue working on specific consonants but will introduce different vowel sounds. Themes six - ten will also continue to introduce high frequency words and skill words.

Please continue to review everything because your children are now acquiring the tools necessary to read. **Remember to always keep reviewing what was learned in previous themes.**

By following the outline we have provided, you will be able to reinforce at home what we are doing in the classroom.

Theme 9 - Spring is Here (Kindergarten)
