Directors report: We are now into our second and third concert cycles. Music is available for the students and we are really excited.

- We are now on to Indoor Guard. Unfortunately, Indoor Winds will not start this year.

- Trip Payments will be due soon. Please take a paper off the music stand or see me with any questions.
- We are hosting Region Orchestra in March, please consider donating water and/or snacks
- Our Truck is Returned
- Congratulations to all students on a successful winter concert
- Best of luck to all PMEA District Chorus, Orchestra, and Band Students in the coming weeks.
- Over the next month, charms will require an email address for each account. This is for login security. Charms also has a new look.
- Band Booster Scholarship Payouts to Nadya, Sarah K, and Sarah Habel
- Indoor Guard Membership Dues (\$1000) – Uniforms \$550.
- FYI: The HASD will be having a Discussion on Booster Insurance. We are in compliance and have our own insurance. This discussion is because apparently other booster clubs do not have insurance.
