Principal

Debbie Faith Kupsho
Assistant Principal

Dear Parents/Guardians,

On behalf of the office staff and faculty, I would like to thank all of you for your patience with the transportation situation as well as procedural details for parent drop off and pick up. We are constantly evaluating the process we have in place and making improvements where we can to increase and ensure the safety of our DEMS students.

We do have one request for our parents that are dropping off in the morning. We are respectfully asking all parents to stay in their vehicles while dropping their child off. Parents getting out of their vehicles can really disrupt the flow of traffic, frustrating other parents who have to get on with their busy day. However, we realize that there are many situations which require parent's assistance and a little extra time. Which is why we have a parking area adjacent to the drop off lane to accommodate those situations. Hopefully the below illustration will clear up any confusion. Any questions or concerns will be addressed at (570) 459-3221 (ext. 20500). Thank you for your cooperation!!!

Mr. Marnell
Principal DEMS
