### TRANSPORTATION UPDATE

The district has been addressing all of the transportation issues and have resolved many of them. We will continue to return calls and emails correcting everyone's issues until we have the system functioning efficiently.

#### SHORT-TERM / IMMEDIATE PLAN

If your child has been receiving transportation to and from school and no issues exist with your situation please continue using the bus and bus stops that have been working for you.

We have made adjustments on times for some, or most, of our routes that have been running late. We believe these time changes have greatly improved many routes. We will continue to adjust these times with these routes until they are running as smoothly as possible (excluding any uncontrollable factors - i.e. traffic, new students, construction, etc.) We will publish on our Transportation website ([www.hasdk12.org/transportation](http://www.hasdk12.org/transportation)) all of the updated routes / stops / pick-up & drop-off times / bus numbers on a daily basis.

#### FOR ALL PARENTS / GUARDIANS / STUDENTS WHO ARE NOT RECEIVING BUSING AND/OR HAVE OUTSTANDING ISSUES:

Please access the website above for the bus stops (for your school) nearest to your house. Your child can report to the nearest bus stop to take that bus to/from school until our Transportation Department is able to solve your specific problem. Your child will be transported to/from that stop to/from school and not be denied transportation from the bus driver. Please note that the AM (to school) **bus stop and bus #** may be different from your PM (from school to home) **bus stop and bus #**.

\*\*\*This update will be handed out to all students (English / Spanish) on Friday, September 2, 2016 and posted on the HASD Website (English / Spanish), HASD Facebook Page (English / Spanish) and the Standard-Speaker newspaper.
