Parents:

Attached to this letter is the updated bus card for your son or daughter that will take effect in the very near future. We kindly ask that you take the time to review your son or daughter's attached bus card for any inaccuracies. If you do note an inaccuracy we ask that you have your son or daughter return it to his/her school's main office by the end of the school day **Friday, December 9, 2016**. If there are no inaccuracies on your son or daughter's bus card, simply keep the bus card until we **notify** EVERYONE that the bus cards are in effect for all bus routes to/from school.

Prior to enacting the new bus cards we need to identify, revise and correct all inaccuracies. Therefore, the actual date that the bus cards will go into effect will be made known to EVERYONE via all sources of HASD communication capabilities.

All students will be required to present his/her bus card to the bus driver in order to occupy the bus to/from school. All bus drivers and transportation contractors will have a roster of students provided to them of the students that should be riding their bus to/from school.

Please be aware that **ALL STUDENTS** will be receiving a bus card even if they do **not** qualify for riding a bus to/from school. Those designated as "NON-ELIGIBLE" or a "walker" due to their home address or personal choice, will be designated as such.

Sincerely,

A handwritten signature in cursive script that reads "Craig B. Butler".
