## WHAT'S FOR BREAKFAST?

The age-old question that parents ask their kids- "What would you like for breakfast"? Here is the top things that kids wish they could eat for breakfast but are not allowed according to a new survey by One Poll:

- Chocolate (36%)
- Donuts (36%)
- Pizza (34%)
- Cookies (34%)

## STUDENT SPOTLIGHT

Kaden Delregno

Kaden was nominated for the Student Spotlight by Mrs. Chicaese. She said the Kaden is a great student. He attends class daily. He is very personable and excelling in cyber school. Kaden is a shining example of hard work and dedication. He strives for excellence in all of his assignments, tests and projects. This is why Kaden was nominated for the Student Spotlight this week.

Hi, I am Mr. Brogan. I have been teaching for the past two years. I teach American Studies and Psychology. What I love about teaching online is the creativity, exploration, and freedom of finding ways to spark curiosity in the classroom.

In my free time I like to run, dream, read and play with my five dogs. The last book I read was, *Harvey Penick's Little Red Book*. My favorite band is ABBA and my favorite food is salmon. The last show I binged-watched was *Ozark* on Netflix. I love all animals. If I could have dinner with one person, dead or alive who would it be my sister, Patricia.

I would like everyone to know, me encanta aprender.

### STEM PLACEMENT TEST

Students in grades 9-11 may take the exam to attend the Hazleton Area Academy of Sciences in the 2023-2024 school year during the last week of April. Students should sign up in the guidance office if you would like to test. Your counselors will let you know what day the test will be given.

### ACT 158

The deadline is May 15<sup>th</sup> to complete Act 158. Please work with your guidance counselor to complete the Act 158 requirements. If you do not complete the requirement you are putting your graduation in jeopardy. Act 158 is a state requirement.
