Free Edmentum Program Access

Do you need help as a result of a school closure?

As you know, the recent reports of COVID-19, or coronavirus, across the U.S has led to the closure of many schools and districts globally. We take this very seriously and are committed to helping you in any way we can.

In these situations, online learning is more relevant and important than ever, and we want to be part of the solution so you can continue to meet your learners' academic needs. If you have any questions, please email info@edmentum.com.

K-12 Standards-Based Practice and Preparation

Study Island provides standards-based practice, test preparation, and formative assessments in grades K-12. Students get feedback to guide their learning and educators get immediate data to determine who needs intervention and who is ready to move on.

Two Month Free Trial

Capacity Assistance Program

K-12 Virtual Learning Solution

Edmentum can help your district ensure teacher can continue teaching virtually using our high quality, standards-aligned curriculum through our **Edmentum Capacity Assistance Program (E-CAP)**. Together, we'll work with you to tailor an implementation plan that helps you establish the best learning environment for your school or district and set teachers up for success in virtual instruction.

Two Free Courses
